

Appendix E – List of Divisions (A, AA, AAA)

Chapter Divisions

Chapters are divided into three divisions based on the previous year's student pharmacist enrollment obtained from the American Association of College of Pharmacy (AACP). Divisions AAA (0 to 219 students), AA (220 to 399 students) and A (greater than 400 students)* are determined each fall based on the full-time enrollment of PharmD (Doctor of Pharmacy degrees awarded as the first professional degree) student pharmacists. The divisions are reassessed on an annual basis by the APhA-ASP National Executive Committee and APhA Staff and are subject to change from year to year.
