

Community-based Pharmacy Residency Program Highlights

San Francisco, CA
March 24-27

Friday, March 24, 2017

APhA Systematic Curriculum Design and Implementation (APhA SCDI) for Community-based Pharmacy Residency Education and Training (1.075 CEUs)

7:30 AM–4:30 PM

Hilton Union Square, Plaza A

This program provides participants with the essential knowledge and skills required to systematically design, develop and implement a community-based, longitudinal structured pharmacy residency training program by applying established principles, structure and methods from educational curriculum design and educational theory.

(Pre-registered attendees only.)

Saturday, March 25, 2017

Meeting the Requirements for Residency Accreditation: PGY1 Community-based – Live Session

7:00 AM–11:00 AM

Convention Center, Room 274/276

Updated to reflect the new PGY1 Community-based Pharmacy Residency Accreditation Standard, this session is an optional add on live component to a series of online training modules to prepare you for accreditation of your program on or after July 1, 2017. This live session will build upon the information provided in the online modules and provide an opportunity to review, critique and develop specific areas of your program materials.

This program is an optional add-on to the on-line training program. Completion of the live session is not required for certificate of completion of on-line program modules and claiming of CPE credit.

(Pre-registered attendees only.)

Postgraduate Training, Education and Certification Exposition

11:30 AM–1:00 PM

Convention Center, Exhibit Hall ABC

Meet representatives from pharmacy residency programs and other postgraduate training programs nationwide. This session is targeted to student pharmacists and practicing pharmacists who are interesting in pursuing a residency program or other postgraduate opportunities.

Meet the Researchers: APhA Contributed Papers Poster Session

12:30 PM–2:30 PM

Convention Center, Exhibit Hall ABC

Community-based Pharmacy Residency Directors and Preceptors Open Forum

4:00 PM–5:00 PM

Convention Center, Room 123
Join fellow CPRP directors and preceptors to discuss issues and topics related to community-based residency education and training. Conducted in collaboration with ASHP.

Community-based Pharmacy Residents Open Forum

4:00 PM–5:00 PM

Convention Center, Room 125

Community pharmacy residents are invited to attend this forum to network and discuss issues and topics related to community-based residency education and training.

PGY1 Community Pharmacy Residency Networking Reception

5:15 PM–6:15 PM

Convention Center, Room 124

Current and former community pharmacy residency directors, preceptors, and residents are invited to attend this informal reception to network and recognize Dr. Laurie Fleming as the 2017 APhA Community Pharmacy Residency Excellence in Precepting Award recipient.

Sunday, March 26, 2017

PGY2 Community Discussion Forum

8:00 AM–9:00 AM

Convention Center, Room 125

All are welcome to join the discussion on the future of PGY2 Community Residency Programs and post-graduate training to advance community-based pharmacy practice. Come join in the discussion what is happening now and what will potentially be emerging in the future in community-based pharmacy residencies.

Open Forum: Implementing the New PGY1 Community-based Pharmacy Residency Accreditation Standard

3:30 PM–5:30 PM

Convention Center, Room 124

This live session is the third in a series of presentations and discussions on the new PGY1 Community-based Pharmacy Residency Accreditation Series, following two virtual sessions via webinar. Come to this final session to listen to discussion, ask questions and get clarification as you prepare to embark on implementing the new Standard in your program in July 2017. Conducted in partnership with ASHP.
