Roles and Responsibilities

Roles & Responsibilities

APhA-ASP's Operation Substance Use Disorders is an educational program in which student pharmacists work in their communities to:

Prevent misuse
of prescription
medication

Break the
stigma of SUD

Support
patients in
recovery

Advocate for
the profession

⋮ What are the four pillars of SUD?

Prescription
Medication
Safety

Substance Use
Disorders

Recovery

Advocacy

Prescription Medication Safety

- Conduct prescription medication take back events
 - Train on proper disposal of medications
 - Provide education on medication adherence
 - Educate on prescription medication safety and potential dangers of misuse
- 
- 

Substance Use Disorders

- Provide education about the opioid crisis, substance use disorders, and breaking the stigma
 - Partner with local and national addiction organizations
 - Train on naloxone administration and patient utilization
 - Screening, Brief Intervention, and Referral to Treatment training
- 
- 

Recovery

- Provide information on navigating the recovery process
 - Partner with local and national recovery organizations
 - Discuss patient specific goals
 - Medication Assisted Treatment vs. non-medication treatment
 - Develop resources for better patient and family understanding of SUD and other mental health illnesses
 - Provide resources for counseling and treatment
- 
- 

Advocacy

- Promote pharmacy involvement in state and federal legislation days
 - Develop policy postcards for patients to sign during education events

Timeline

Event Planning

Questions to ask yourselves:

- What populations can most benefit from your work in relation to the project?
- What partnership opportunities exist on campus or in your community for hosting events?
- What other organizations that you can collaborate with for hosting events?
- How can I utilize my project committee to best meet the needs of the Operation, my chapter, and my community?
