Roles and Responsibilities

●● Roles & Responsibilities

Through Operation Diabetes, APhA-ASP Chapters will work in their communities to:

Increase overall awareness of diabetes and the role pharmacists play in diabetes prevention and management

Identify individuals in the community with previously undiagnosed diabetes

Educate individuals in the community who are at risk of developing diabetes

Increase student pharmacist awareness of the needs for early detection and prevention of diabetes

Event Planning

Questions to ask yourselves:

- What populations can most benefit from your work in relation to the project?
- What partnership opportunities exist on campus or in your community for hosting events?
- What other organizations that you can collaborate with for hosting events?
- How can I utilize my project committee to best meet the needs of the Operation, my chapter, and my community?
